DIRECT PAYMENTS BY THE DEBTOR(S)

If a secured creditor(s) is listed below, the regular monthly payment on the Debtor(s) principal residence or other real property will be paid directly by the Debtor(s) and not by the Trustee as the Debtor(s) is current on the debt(s). If the automatic stay is lifted at confirmation or any time during the term of the plan, and the property is foreclosed on or the debtor(s) interest is forfeited any deficiency shall be treated as a general unsecured claim and discharged upon the completion of this plan.

The debtor(s) shall continue to hold the rights afforded them under the laws of the State of Michigan, including the right to possession of the real property during the redemption period. Any deficiency claim of the mortgagees established because of the foreclosure shall be discharged upon the successful completion of this plan and entry of the discharge order.

CREDITOR NAME _____

LIEN STRIPPING OF MORTGAGE CREDITOR

If a mortgage creditor is listed below, the lien of the following mortgage creditor(s) shall be stripped from the Debtor(s) principal residence for the reason there is no equity to support a secured claim, and their claim(s) shall be treated entirely as an unsecured claim. Upon the successful completion of this plan the lien of these mortgage creditor(s) shall be removed by providing the Debtor(s) with a recordable mortgage discharge.

CREDITOR NAME _____

3(F); Pre-Petition Arrears - Mortgage or Executory Contracts on Real Property.

If a mortgage is in arrears pre-petition, the pre-petition arrears will be cured with interest at the contract rate if the mortgage was executed prior to October 22, 1994 or without interest if the mortgage was executed after October 22, 1994.

Cure of any pre-petition arrears shall be disbursed in equal monthly amounts by the Trustee pursuant to 11 USC § 1325(a)(5)(B)(iii)(□). The equal monthly amounts will begin being disbursed after the court approved fees and expenses of the attorney for the debtor are paid by the Trustee. Pre-petition mortgage arrears shall be cured within 36 months of this plans confirmation.

If the Trustee has insufficient funds on hand to make the required equal monthly payment, then the pre-petition arrears shall be paid pro rata together with the monthly payments due Secured Creditor(s), Other Secured Creditor(s), executory contract or unexpired lease holders, Special Unsecured Claims, and Domestic Support Obligation(s), if any.

If the Trustee has excess funds available after the disbursement of the equal monthly payments to secured creditors, executory contract or unexpired lease holders, pre-petition arrears claim(s), Special Unsecured Claim(s), and Domestic Support Obligations, if any, then the excess funds shall be paid pursuant to the provision as recited in Section 2(G).

3(G); General Terms Applicable to Personal Property Secured Claims, Executory Contracts or Unexpired Leases.

The General Provisions as recited in this Section 3(G) shall be applicable to any personal property secured claim(s), executory contract(s), or unexpired leases.

The disbursement by the Trustee on personal property secured claim(s), executory contract(s) or unexpired leases shall be subsequent to the payment of Adequate Protection Payments, certain Domestic Support Obligation(s), Administrative Expense Claims, and the regular monthly mortgage or executory contract or unexpired lease holder payment on the Debtor(s) principal residence or other real property.

Secured creditor(s) shall retain their liens until the earlier of the full payment of their underlying debt as determined under non-bankruptcy law, or a Discharge Order is entered by the Bankruptcy Court. If this case is dismissed or converted to another proceeding before completion of the Plan, secured creditors shall continue to retain their liens to the extent recognized by applicable non-bankruptcy law.

Upon confirmation of the Plan by the Bankruptcy Court, the annual interest rate recited for a personal property secured creditor(s) will be binding on that creditor(s) unless a timely written objection to confirmation is filed and sustained by the Bankruptcy Court.

Although you may believe your claim is a secured claim, it may nonetheless be classified as an unsecured claim, and be treated as such. UNLESS YOUR CLAIM IS SET FORTH SPECIFICALLY IN THIS PLAN AS A SECURED CLAIM, THE DEBTOR(S) IS PURPOSELY CLASSIFYING YOUR CLAIM AS UNSECURED AND IT WILL BE TREATED AS AN UNSECURED CLAIM DESPITE YOUR BELIEF THAT IT IS A SECURED CLAIM. ACCORDINGLY, YOU MUST TIMELY OBJECT TO CONFIRMATION OF THIS PLAN, OR

YOU WILL BE DEEMED TO HAVE ACCEPTED THIS PLAN'S TREATMENT OF YOUR CLAIM.(SEE L.B.R.3015-3 (E.D.M.))

If the Trustee has insufficient funds on hand to make the required equal monthly payments to Secured Creditor(s), Other Secured Creditor(s), and executory contract or unexpired lease holders, then these creditor(s) shall be paid pro rata together with the monthly payment due on the pre-petition arrears claim(s), Special Unsecured Claim(s), and Domestic Support Obligation(s), if any.

If the Trustee has excess funds available after the disbursement of the equal monthly payments to Secured Creditor(s), Other Secured Creditor(s), executory contract or unexpired lease holders, pre-petition arrears claim(s), Special Unsecured Claim(s), and Domestic Support Obligations, if any, then the excess funds shall be paid towards any post-confirmation payments due these creditor(s) under this Plan but not yet paid. Thereafter, any excess funds shall be paid towards the pre-petition arrears claim(s) until paid in full. Thereafter, any remaining excess funds shall be paid pro rata, based on the equal monthly payments of this Plan, as a pre-payment of the equal monthly payments due to Secured Creditor(s), Other Secured Creditor(s), Special Unsecured Claims, and Domestic Support Obligations, if any, until paid in full prior to any distribution to unsecured claims.

3(H); Secured Claims – Purchase Money Security Interest in Motor Vehicles incurred within 910 days prior to the petition filing date and/or other collateral incurred during the one year period preceding the petition filing date.

(Please note that the General Provisions in Section G are applicable to this section)

The secured creditor(s) that qualify for treatment in this section, their collateral, and the annual interest rate to be paid on their claim are identified as follows:

CREDITOR NAME	COLLATERAL DESCRIPTION	INTEREST RATE
------------------	---------------------------	------------------

The Secured Creditor(s) listed above shall be paid by the Trustee, after being adjusted for any Adequate Protection Payments, the remaining amount of their claim in equal monthly payments over the remaining term of the plan and any post-petition arrears, unless paid directly by the Debtor(s) or surrendered as indicated below, or the section directly below is checked to “cram down” the amount of the secured claim to the replacement value of the collateral for those creditors listed above and also named in the Other Secured Claims section of the Plan as shown in Section I.

If the Trustee has insufficient funds on hand to make the required equal monthly payments, then the Secured Creditors listed above shall be paid pro rata together with the monthly payments due Other Secured Creditor(s), the pre-petition arrears claim(s), Special Unsecured Claim(s), and Domestic Support Obligation(s), if any.

If the Trustee has excess funds available after the disbursement of the equal monthly payments to Secured Creditor(s), Other Secured Creditor(s), executory contract or unexpired lease holders, pre-petition arrears claim(s), Special Unsecured Claim(s), and Domestic Support Obligations, if any, then the excess funds shall be paid pursuant to the provision as recited in Section G.

ALTERNATIVE “CRAM DOWN” PROVISION

[] If this box is checked, the Assisted Person(s) proposes to “cram down” the amount of the secured claim to the replacement value of the collateral for those creditors listed above and also named in the Other Secured Claims section of this Plan as shown in Section I even though the claim is a purchase money security interest in a motor vehicle incurred within 910 days prior to the petition filing date and/or other collateral during the one year period preceding the petition filing date.

This provision will be applicable only if the affected creditor consents to this treatment of their claim by signing the proposed Order Confirming Plan. If accepted, this Plan provision shall be binding upon confirmation of the Plan by the Court.

DIRECT PAYMENTS BY THE DEBTOR(S)

If a secured creditor is listed below, the secured creditor(s) will be paid directly by the Debtor(s) and not by the Trustee as the Debtor(s) is current on the debt(s).

<u>CREDITOR</u>	<u>COLLATERAL DESCRIPTION</u>
-----------------	-------------------------------

SURRENDER OF SECURED CREDITOR(S) COLLATERAL

The collateral listed below held by the Debtor(s) shall be surrendered within 30 days after confirmation of the Plan to the following secured creditor(s) in satisfaction of their secured claim(s), and the automatic stay be lifted upon confirmation of the Plan.

<u>CREDITOR</u>	<u>COLLATERAL DESCRIPTION</u>

3(I); Other Secured Claims

(Please note that the General Provisions in Section G are applicable to this section)

All other secured creditors shall be paid the replacement value of their collateral. The excess of these secured claim(s) over the replacement value of their collateral shall be paid in the same manner as general non-priority unsecured claims. Other secured creditors, their collateral, its replacement value, and the annual interest rate to be paid, are identified as follows:

<u>CREDITOR NAME</u>	<u>COLLATERAL DESCRIPTION</u>	<u>REPLACEMENT VALUE</u>	<u>INTEREST RATE</u>

If the Trustee has insufficient funds on hand to make the required equal monthly payments to Other Secured Creditor(s), then they shall be paid pro rata together with the monthly payments due Secured Creditor(s), the pre-petition arrears claim(s), Special Unsecured Claim(s), and Domestic Support Obligation(s), if any.

If the Trustee has excess funds available after the disbursement of the equal monthly payments to Secured Creditor(s), Other Secured Creditor(s), executory contract or unexpired lease holders, pre-petition arrears claim(s), Special Unsecured Claim(s), and Domestic Support Obligations, if any, then the excess funds shall be paid pursuant to the provision as recited in SECTION G.

The Debtor(s) has stated the replacement value of the collateral as listed above. If a secured creditor claims a different replacement value, or different interest rate, then that creditor MUST TIMELY OBJECT TO THE CONFIRMATION OF THIS PLAN (SEE L.B.R.3015-3(E.D.M.)), AND THE REPLACEMENT VALUE AND/OR INTEREST RATE DISPUTE WILL BE LITIGATED AND DECIDED AS PART OF THE CONFIRMATION HEARING. Failure to timely object to the confirmation of this Plan shall be deemed to be an acceptance of this Plan's statement of replacement value and interest rate. This is notice that the Confirmation Hearing is also a hearing pursuant to F.R. BANKR.P.3012, VALUING YOUR SECURED CLAIM.

DIRECT PAYMENTS BY THE DEBTOR(S)

The following other secured creditor(s) will be paid directly by the Debtor(s) and not by the Trustee as the Debtor(s) is current on the debt(s), and the replacement value of the collateral exceeds the creditor's claim(s): (See L.B.R.3070-1(E.D.M.)).

<u>CREDITOR</u> <u>NAME</u>	<u>COLLATERAL</u> <u>DESCRIPTION</u>	<u>MONTHLY</u> <u>PAYMENT</u>
--------------------------------	---	----------------------------------

After being adjusted for any Adequate Protection Payments, and for the remaining term of this Plan, the trustee shall pay the regular monthly payment and any post-petition arrears to the creditor(s) as shown above, unless paid directly by the Debtor(s) as indicated below.

If pre-petition arrearage exists, it shall be cured by equal monthly payments during the remaining term of the Plan.

If the Trustee has insufficient funds on hand to make the required monthly payment, then the payment for executory contract or unexpired lease holders shall be paid pro-rata together with the monthly payments due by Secured Creditor(s), Other Secured Creditor(s), Special Unsecured Claim(s), Domestic Support Obligation(s), and pre-petition arrears claim(s), if any.

If the Trustee has excess funds available after the disbursement of the equal monthly payments to Secured Creditor(s), Other Secured Creditor(s), executory contract or unexpired lease holders, pre-petition arrears claim(s), Special Unsecured Claim(s), and Domestic Support Obligations, if any, then the excess funds shall be paid pursuant to the provision as recited in SECTION G.

<u>CREDITOR</u>	<u>COLLATERAL DESCRIPTION</u>
-----------------	-------------------------------

3(K); Special Unsecured Claims.

The timely filed claims of the following unsecured creditor(s) shall be paid in full with interest at the original contract rate by deferred cash payments.

CREDITOR NAME

The reason for the special treatment to these unsecured creditor(s) is as follows:

[] The claim is one on which an individual other than the Debtor(s) is also liable or has pledged their own property.

[] The claim is not dischargeable, or is otherwise entitled to special treatment for the following reasons:

The Special Unsecured Creditors listed above in this section shall be paid their claim by the Trustee in equal monthly payments, and any post-petition arrears, over the remaining term of the plan.

If the Trustee has insufficient funds on hand to make the required equal monthly payment, then the payment on the Special Unsecured Claim(s) shall be paid pro-rata together with the monthly payments due Secured Creditor(s), Other Secured Creditor(s), executory contract or unexpired lease holders, Domestic Support Obligation(s), and pre-petition arrears claim(s), if any.

If the Trustee has excess funds available after the disbursement of the equal monthly payments to Secured Creditor(s), Other Secured Creditor(s), executory contract or unexpired lease holders, pre-petition arrears claim(s), Special Unsecured Claim(s), and Domestic Support Obligations, if any, then the excess funds shall be paid pursuant to the provision as recited in SECTION G.

3(L); Priority Unsecured Claims other than a Domestic Support Obligation.

All claims entitled to priority status pursuant to 11 U.S.C. §507, other than a Domestic Support Obligation, shall be paid in full through the Plan in deferred cash payments if a proof of claim has been timely filed, and shall be paid pro rata, but subsequent to the payment of Administrative Expense Claims, Domestic Support Obligation claim(s), and the monthly payments to Secured Claim(s), Other Secured Claim(s), executory contract or unexpired lease holders, Special Unsecured Claims, and pre-petition arrears claims(s), if any.

3(M); General Non-Priority Unsecured Claims

After payment of all claims described above, the Trustee shall disburse on a pro-rata basis any remaining funds to general non-priority unsecured creditors whose claims are timely filed.

An estimate of the percentage dividend to be paid to general non-priority unsecured creditors is shown on the attached worksheet. The present value of the amount to be distributed to general non-priority unsecured creditors through this Plan is not less than the amount that would be paid on such claims if the estate of the debtor were liquidated under a Chapter 7 proceeding, as shown in the liquidation analysis set forth at the end of the Plan. (See L.B.R. 3015-1(b)(E.D.M.))

If the liquidation analysis demonstrates that general non-priority unsecured claims would be paid 100% in a hypothetical Chapter 7 proceeding, such general non-priority unsecured claims shall receive an additional 5% annual interest during the term of the Plan until paid in full.

4. GENERAL PROVISIONS:

4(A); Effective Date and Plan Completion.

The Effective Date of this Plan shall be the date of confirmation. This plan shall be complete when the trustee has received all of the payments required by this plan, regardless of the percentage of recovery creditors might have received.

4(B); Model Plan Exceptions.

THIS PLAN ALSO DEFINES IN PARAGRAPH 3(E) SURRENDER OF PRINCIPAL RESIDENCE OR OTHER REAL PROPERTY. THE EQUAL MONTHLY AMOUNTS WILL BEGIN BEING DISBURSED AFTER THE COURT APPROVED FEES AND EXPENSES OF THE ATTORNEY FOR THE DEBTOR ARE PAID BY THE TRUSTEE. ALSO SEE SUPPLEMENTAL LANGUAGE ADDED TO SECTION 3(E) REGARDING DIRECT PAYMENTS BY THE DEBTOR.

4(C); Unscheduled Creditors Filing Claims.

If a creditor's claim is not listed in the Debtor(s) schedules, but the creditor nonetheless timely files a proof of claim, the Trustee is authorized to classify the claim into one of the classes described above, and to pay the claim consistent with that classification.

4(D); Post-petition Claims

After the notice requirements of L.B.R. 3015-2(c)(E.D.M.) have been satisfied, any post-petition claim filed under 11 U.S.C. 1305 shall be paid in the same manner that claims of a similar type are paid (e.g.: post-petition tax claims entitled to priority shall be paid as allowed pre-petition priority tax claims; post-petition non-priority unsecured claims will be paid as allowed pre-petition non-priority unsecured claims, etc.).

4(E); Property of the Estate and Disposal of Non-exempt Property.

Upon confirmation of the Plan, all property of the estate shall vest in the Debtor(s), except for the future earnings of the Debtor(s), and other property specifically devoted to the Plan. 4(F); Debtor(s) Duty To Maintain Insurance.

The Debtor(s) shall maintain all insurance required by law and contract upon property of the estate and the Debtor(s) property. Failure by the Debtor(s) to maintain proper insurance coverage could result in a hearing before the Bankruptcy Court by a creditor seeking to enforce their rights which may include remedies such as the lifting of the Stay Order or Dismissal of the case.

4(G); Injunction Against Future Indebtedness.

Upon confirmation of this Plan, the Debtor(s) may not, during the Plan's term, incur credit in excess of \$1,500.00 without prior consent of the Trustee, except for a student loan to be paid by the Debtor(s) directly outside the Plan, or refinancing of the principal residence or other real estate of the Debtor(s) for the purpose of acquiring funds to pay their Chapter 13 Plan in full.

4(H); Effect of Orders Lifting Stay on Disbursements.

No disbursement shall be made by the Trustee to any secured creditor for whom the Automatic Stay has been lifted until such time as an amended claim is filed by such creditor.

4(I); Tax Return Disclosure.

4(M); Other Provisions.

The Plan includes the following additional provision(s): This plan shall pay the Department of Treasury- Internal Revenue Service the portion of the amended claim number two (2) for the tax and interest due for tax periods 9/30/06 & 12/31/06 WT-FICA and FUTA taxes totaling \$12,211.30.
